**'World Day of the Poor'**

*"Loving attentiveness is the beginning of true concern for the poor and the promotion of their genuine welfare"*

*Pope Francis*

'Before all else, the poor need God and His love, made visible by "saints next door", people who by the simplicity of their lives express clearly the power of Christian love. The poor need our hands, to be lifted up; our hearts, to feel anew the warmth of affection; our presence, to overcome loneliness. In a word, they need love.'
