**Seating for First Holy Communion children and their families
at St Cuthbert Mayne Church.**

At present the children preparing for their First Communion, and their families, are sitting at the back of the church where the children cannot see the altar, and it is difficult for them to engage with what is going on. I would like to reserve the first 5 benches on the right-hand side of the church for the children and their families. This will cause some disruption to our regular seating. I did speak to some parishioners last week, who were totally understanding but we will need more benches than I thought. Thank you for your cooperation. I hope it doesn't cause too much disruption, but it is for a good cause. We will begin next week, the First Sunday of Advent.....Fr John.

This weekend, on the **Feast of Christ the King**, the Church in England and Wales celebrates **National Youth Sunday**. On this day, we celebrate the young people in our parish and community and all the gifts and talents they share with us. The theme for this year's NYS is Significance taken from Christus Vivit, Pope Francis' Apostolic Exhortation to young people: *"For him, you have worth; you are not insignificant. You are important to him, for you are the work of his hands. That is why he is concerned about you and looks to you with affection"* (Christus Vivit, 115).

The Sacrament of the Sick gives strength, peace and courage to face the difficulties of serious illness or the frailty of old age. A serious illness need not be life-threatening and the elderly may be anointed if they become noticeably weakened, even if no serious illness is present.
