Pope's Intention for the month of October:

Evangelization – Missionary disciples

We pray that every baptized person may be engaged in evangelization, available to the mission, by being witnesses of a life that has the flavour of the Gospel.

**** Please note there is currently a problem with the Cuthbert Mayne phone line, please use the number 07754439830 to contact Fr John or the office this week ****

Prayers

Please keep in your prayers Deacon Richard who has had an operation on his wrist which will be in plaster for several weeks, and Val Williams PPC chairperson who is in hospital. They both really appreciate the prayers being offered for them.

May the Lord give them a speedy recovery and restore them to full health.

Launceston Leisure Centre – consultation on potential closure

Residents, community groups and organisations are urged to have their say about proposed changes to the provision of leisure centres in Cornwall.

You can find out more on the [Let's Talk Cornwall website](#) and complete our online survey. Paper copies are available by calling 0300 1234 100. **The consultation closes on 31 October.**

Environmental Grant – ideas please...

Dear Parishioners,

As you know we have been enormously helped with grant funding for our building & sound systems at St Cuthbert Mayne church.

Further the Holy Father, Pope Francis has made a priority of developing our Catholic understanding of how our Care for Creation is a vital part of Catholic Social Teaching.

Here in the UK, we will host the COP26 UN Conference on Climate Change from 1st – 12th November; the Government is looking to facilitate lasting environmental change action as a result. To that end they are **funding a new Grant Scheme, allocating £1,000 - £10,000 grants to local organisation to support true grass-roots initiatives**. Local churches like us can benefit as can many other community organisations.

The grants have some important criteria attached; the two most critical ones are: -

- The initiatives must be community led and have real community support i.e., not just dreamt up to get funding
- They must have lasting environmental impact

They can be very simple and wide-ranging, some examples might be re-wilding gardens, cemeteries, or other spaces, providing EV charging points, providing secure cycle storage to encourage cycle journeys, gathering rainwater for irrigation and so on.

I, therefore, put two challenges to you: -

- Can you identify any projects that any or all of our three communities could undertake, that would provide a basis for a grant application?
- Can you put together a team to plan, develop and implement the idea?

‘Thinking Caps’ on, please. Any questions just ask me, no question is too silly!

Prayer of St Francis

Lord, make me an instrument of Your peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.
O Divine Master,
Grant that I may not so much seek
To be consoled as to console;
To be understood, as to understand;
To be loved, as to love;
For it is in giving that we receive,
It is in pardoning that we are pardoned,
And it is in dying that we are born to Eternal Life.
Amen.
