### **Catechesis on Old Age**

In 2022, over a number of weeks, Pope Francis used his weekly Wednesday audience to offer in-depth catechesis on old age. There are many pearls of wisdom in this series including this one:

*The little ones learn the power of tenderness and respect for frailty: irreplaceable lessons that are easier to impart and receive with grandparents. For their part, grandparents learn that tenderness and frailty are not solely signs of decline: for young people, they are conditions that humanise the future."*  
Pope Francis, Catechesis on Old Age
